

**ALBERTA SECURITIES COMMISSION
ORDER**

Citation: Re CIH Trading, LLC, 2018 ABASC 167

Date: 20181026

CIH Trading, LLC

Background

1. CIH Trading, LLC (the **Filer**) has applied to the Alberta Securities Commission (the **Commission**) for an order under section 144(1) of the *Securities Act* (Alberta) (the **Act**) exempting the Filer from the dealer registration requirement of section 75(1)(a) of the Act (the **Exemption Sought**) in respect of trades in exchange contracts to clients in Alberta who are "qualified parties" as defined in Commission Blanket Order 91-507 *Over-the-Counter Trades in Derivatives* (**Qualified Parties**).

Interpretation

2. Terms defined in National Instrument 14-101 *Definitions* or in the Act have the same meaning in this order unless otherwise defined herein.

Representations

3. This order is based on the following representations made by the Filer to the Commission:
 - (a) The Filer is:
 - (i) incorporated under the laws of the state of Illinois with its head office located in Chicago, Illinois;
 - (ii) a wholly-owned subsidiary of CIH Associates LLC;
 - (iii) registered as an introducing broker (**IB**) with the United States (**US**) Commodity Futures Trading Commission (**CFTC**);
 - (iv) a member of the US National Futures Association (**NFA**); and
 - (v) an IB for CME Group (CME, CBOT, NYMEX, COMEX), ICE Futures US and ICE Futures Europe.
 - (b) The Filer is not registered under the securities legislation of any jurisdiction in Canada.
 - (c) The Filer is not in default of securities legislation of any jurisdiction in Canada.
 - (d) The Filer proposes to trade in exchange contracts only on behalf of Qualified Parties.

- (e) The Filer will not advertise its services by television, radio, newspaper, internet or other media of general circulation originating in Canada, other than financial industry publications.
- (f) The Filer will not maintain an office, sales force or place of business in Canada.
- (g) Exchange contracts will be traded by the Filer on behalf of Qualified Parties only on exchanges located outside Canada (each a **Non-Canadian Exchange**).
- (h) All exchange contracts traded by the Filer on behalf of Qualified Parties will be subject to regulation by the CFTC or other similar regulatory authorities.
- (i) Pursuant to its registration and memberships, the Filer is authorized to handle customer orders and introduce them to an executing broker registered as a futures commission merchant (**FCM**), and otherwise act as an IB. Rules of the CFTC and NFA require the Filer to maintain adequate capital levels, make and keep specified types of records relating to customer transactions, and comply with other forms of customer protection rules, including know-your-customer obligations, as applicable, suitability requirements and anti-money laundering checks.
- (j) The Filer will perform only an execution function for trades in exchange contracts on behalf of Qualified Parties and will direct that trades be delivered and cleared through the Qualified Party's carrying broker (a **Carrying Broker**) on the Non-Canadian Exchange on which the trade is executed.
- (k) The Carrying Broker may opt to perform only an execution function in relation to a trade by giving up the trade for clearing to a clearing broker (**Clearing Broker**).
- (l) Each Carrying Broker and Clearing Broker is required to be registered as an FCM with the CFTC and will be a member of the NFA or exempt from NFA membership in accordance with applicable laws. Each Carrying Broker and Clearing Broker will be required to adhere to regulations relating to a CFTC-registered FCM and an NFA member, as applicable, which require, among other things, the segregation and separate accounting of customer positions and money to protect customers in the event of the insolvency or financial instability of an FCM. This protection will extend to all Alberta clients of the Filer in respect of trades in exchange contracts.
- (m) The Filer will only deal with Carrying Brokers who enter into an industry-standard give-up agreement with a Qualified Party that requires the Carrying Broker to perform its obligations in relation to the execution and clearing of trades in accordance with applicable laws, governmental, regulatory, self-regulatory, exchange and clearing house rules and the customs and usages of the exchange or clearing house on which the relevant Qualified Party's exchange contract order will be executed and cleared and that the Carrying Broker is permitted to do business with the Qualified Party in accordance with applicable laws.
