

ALBERTA SECURITIES COMMISSION
TEMPORARY ORDER REGARDING SHORT SALES
OF CERTAIN INTER-LISTED SECURITIES

Background

1. On September 18, 2008, the United States Securities and Exchange Commission (**SEC**) issued an order pursuant to section 12(k)(2) of the *Securities Exchange Act* of 1934 (the **SEC Order**) that “all persons are prohibited from short selling [as defined in the SEC Order] any publicly traded securities” of a defined list of financial firms, subject to certain exceptions.
2. Attached as Appendix A to this order is a list of financial sector issuers (the **Financial Sector Issuers**) that
 - (a) are listed on the Toronto Stock Exchange (TSX); and
 - (b) are interlisted in the United States or, in the case of one issuer, has outstanding securities that are interchangeable into securities of a financial firm listed in the SEC Order.
3. In cooperation with the Alberta Securities Commission (**Commission**) and other provincial and territorial Securities Regulatory Authorities, the Ontario Securities Commission issued a Temporary Order on September 19, 2007 prohibiting short-sales of securities of the Financial Sector Issuers, in the form attached to this order as Appendix B (the **Ontario Short Sales Temporary Order**).
4. Staff of the Commission consider it to be in the public interest to take similar precautionary measures as set out in the Ontario Short Sales Temporary Order to prevent regulatory arbitrage and to ensure a fair and orderly market in Alberta with respect to securities of the Financial Sector Issuers.

Interpretation

5. Unless otherwise defined, terms used in this order have the same meaning as in the Act or in National Instrument 14-101 *Definitions*.
6. For the purposes of this Order, “short sale” is defined as follows:

“short sale” means a sale of a security, other than a derivative instrument, which the seller does not own either directly or through an agent or trustee and, for this purpose, a seller shall be considered to own a security if the seller:

- (a) has purchased or has entered into an unconditional contract to purchase the security, but has not yet received delivery of the security;
- (b) has tendered such other security for conversion or exchange or has issued irrevocable instructions to convert or exchange such other security;
- (c) has an option to purchase the security and has exercised the option;
- (d) has a right or warrant to subscribe for the security and has exercised the right or warrant; or
- (e) is making a sale of a security that trades on a when issued basis and the seller has entered into a contract to purchase such security which is binding on both parties and subject only to the condition of issuance of distribution of the security,

but a seller shall be considered not to own a security if:

- (f) the seller has borrowed the security to be delivered on the settlement of the trade and the seller is not otherwise considered to own the security in accordance with this definition;
- (g) the security held by the seller is subject to any restriction on sale imposed by applicable securities legislation or by an exchange or quotation and trade reporting system as a condition of the listing or quoting of the security; or
- (h) the settlement date or issuance date pursuant to:
 - (i) an unconditional contract to purchase,
 - (ii) a tender of a security for conversion or exchange,
 - (iii) an exercise of an option, or
 - (iv) an exercise of a right or warrant

would, in the ordinary course, be after the date for settlement of the sale.

Decision

7. For the reasons set out above, the Commission considers it necessary and appropriate to temporarily prohibit short sales of securities of the Financial Sector Issuers, on terms similar to those in the Ontario Short Sales Temporary Order.

8. Pursuant to section 211.5 of the *Securities Act* (Alberta) (the **Act**), the Commission hereby prohibits trading that constitutes a short sale in the securities of the Financial Sector Issuers unless the short sale is:
- (a) conducted in accordance with Universal Market Integrity Rule (**UMIR**) 3.1 *Restrictions on Short Selling*, sections 2(a), (b), and (d);
 - (b) conducted in order to comply with UMIR Rule 5.2 *Best Price Obligation*; or
 - (c) conducted by a person or company as a result of the automatic exercise or assignment of an equity option held prior to the effective date of this order due to expiration of the option.
9. This Order shall take effect immediately and shall expire on October 3, 2008, unless extended by further order of the Commission.
