CSA Staff Notice 31-318

Omnibus / Blanket Order Exempting Mortgage Investment Entities from the Requirement to Register as Investment Fund Managers and Advisers

August 20, 2010

Since the coming into force of National Instrument 31-103 Registration Requirements and Exemptions (NI 31-103), the Canadian Securities Administrators (the CSA or we) have received a number of inquiries about the impact of NI 31-103 on the obligations of mortgage syndicators, mortgage investment corporations and other entities operating with similar business models (collectively “mortgage investment entities”). Representatives of mortgage investment entities in some jurisdictions have represented that many of the requirements of NI 31-103 are not applicable to their businesses and would not provide additional investor protection, particularly in view of local legislation that may already apply.

Each of the CSA members has agreed to review the requirement for mortgage investment entities to register as investment fund managers and advisers. As a result, CSA members have issued parallel orders (the “order”) that provide relief from investment fund manager registration requirements and adviser registration requirements until December 31, 2010. The order does not provide relief from the dealer registration requirement. We encourage mortgage investment entities to speak with their legal counsel with respect to any dealer registration requirements that may apply.

In the order, a mortgage investment entity means a person or company whose purpose is to invest substantially all of its assets in debts owing to it that are secured by mortgages, hypothecs or in any other manner on real property, and whose other assets are limited to:

- deposits with a bank or other financial institution;
- cash;
- debt securities referenced in section 8.21 [Specified debt] of NI 31-103; or
- instruments used to hedge specific risks relating to the debts owing to it that are secured by mortgages, hypothecs or in any other manner on real property.

The exemptions from the adviser registration requirement and the investment fund manager registration requirement are available to a person or company that:

- does not act as an adviser other than in respect of the securities issued by or owned by a mortgage investment entity;
- does not act as an investment fund manager other than in relation to the business, operations or affairs of a mortgage investment entity; or
- does not carry out activities that would require registration under securities legislation for a person or company that is not a mortgage investment entity.
Note that in Ontario, an additional condition on the exemption is that it is only available to those licensed under the *Mortgage Brokerages, Lenders and Administrators Act, 2006*.

This order is effective on August 20, 2010 and will cease to have effect on December 31, 2010.

We are publishing the order with this Notice. The order is also available on websites of CSA members, including:
